law and order within the district. During the meeting, SSP Pulwama urged the participants to expedite anti-terrorist operations and prioritize the prompt disposal of pending UAPA cases. The security of vulnerable individuals and other crucial aspects of policing such as verifications, disposal of NDCS cases, inquest proceedings and other pertinent issues related to accountable policing, were extensively discussed. Recognizing the severity of the drug menace and social crimes, SSP Pulwama urged the officers to intensify their efforts to combat these challenges and work diligently to prevent drug abuse and cyber-crimes within the community. Participating officers took the opportunity to provide SSP Pulwama with detailed briefings on the security scenario in their respective areas and the proactive security measures being implemented to counter emerging challenges. In response, SSP Pulwama directed the officers to remain extra-vigilant, strengthen nakas/checkpoints and generate actionable intelligence to thwart the nefarious designs of anti-national elements. Emphasizing the need for synergy and enhanced coordination among all security forces operating in the region, SSP Pulwama urged the officers to collaborate closely with their counterparts to ensure a peaceful atmosphere within the Police district. The officers were instructed to adopt a public-centric approach and prioritize the resolution of community grievances. The meeting concluded with a resounding commitment to upholding law and order; enhancing public safety, and strengthening the bond between the police and the community. SSP Pulwama expressed his gratitude to all participating officers for their dedication and urged them to continue working with unwavering determination and vigilance.

SMC clarifies regarding misleading video on social media

STATE TIMES NEWS
SRINAGAR: The Authorities at Srinagar Municipal Corporation (SMC) on Sunday issued clarification regarding a video posted on social media platforms alleging dogs from elsewhere have been put in the Hazratbal area, terming it 'absolutely incorrect'. In an official handout issued here, it has been given out that these dogs were lifted few days back from Hazratbal area itself by SMC's empanelled agency for Sterilization (i.e. Animal Birth Control) and Anti Rabies Vaccination. After proper sterilization and vaccination these canines were released back to the pickup location which is the mandatory protocol as per the Animal Birth Control Rules and guidelines. After sterilization and vaccination the dogs have to be mandatorily released and rehabilitated at the same location as per rules and guidelines. Documentation related to dog capturing, sterilization, vaccination and subsequent release is properly documented, said an official adding that SMC is at present is doing sterilization of the dogs in Hazratbal and Habbak area. It is important to mention that SMC has started the sterilization and anti rabies vaccination program for stray dogs in Srinagar City at a mass scale. It is being done ward wise and area wise. The sterilization and vaccination facilities are at Tengpora and Shuhama and the process is being constantly monitored by SMC

at multiple levels along with members from civil society. To implement the Animal Birth Control programme and the Anti-Rabies Vaccination programme at a large scale within the city, SMC has empanelled the agency, and they are implementing the Animal Birth Control programme as per the Animal Birth Control Rule, 2023, issued by the Ministry of Animal Husbandry, Govt. of India and guidelines and SOPs of the Animal Welfare Board of India, read the statement. Killing or shifting stray dogs from one place to another place is illegal under the Animal Birth Control Rule, 2023 promulgated under the Prevention of Cruelty to Animals Act, 1960, mentioned the handout. It has also been given out that the captured dogs are taken to the Animal Birth Control Centre, Tengpora, and the Animal Birth Control Centre, Shuhama, for sterilization and anti-rabies vaccination. These dogs are kept at ABC Centre for a few days till the surgical wound is completely healed and then they are released back to the pick-up location. The vital part of this programme is that stray dogs are also immunized against Rabies. The sterilized and immunized dogs have a "V" shaped notch on the ear. Meanwhile, the SMC has requested the public for assistance and cooperation in implementing the Animal Birth Control Programme throughout the city.

DC Bandipora reviews flood prevention measures along Jehlum embankments in Sumbal

DC Bandipora, Dr. Owais Ahmad during visit to flood prone area.

STATE TIMES NEWS
BANDIPORA: The Deputy Commissioner (DC) Bandipora, Dr. Owais Ahmad on Sunday visited several areas of the Sub Division Sumbal of the district to take firsthand appraisal of the situation arisen due to rains in the flood prone areas. The DC inspected the flood prone areas and the vulnerable banks of river Jehlum and reviewed the arrangements put in place to tackle any untoward situation. It was informed that all the men and machinery has been mobilised to tackle any situation arisen due to heavy rains. The Official from Irrigation and Flood Control Department informed that the department has already deposited sand filled cement bags at vulnerable spots, and several banks were strengthened by putting these bags to avoid any breach in the flow of the river. Dr. Owais appreciated the ground staff for working round the clock to keep vigil on vulnerable banks of the river. He

directed for further strengthening embankments and asked the officers to closely monitor the water level and follow the protocols already set to deal with any flood like situation. The DC also interacted with locals and took feedback from them with regard to the government

measures being taken and suggestions to tackle floods, etc. During the visit, the DC toured shadipora and adjoining areas of sumbal and took a detailed stock of current status of water level of rivers, availability of sand bags, machinery and other arrangements available in the district. The DC also instructed the officers to stay at their respective headquarters and not to leave the station until further orders and asked them to keep the control room operational round the clock. The DC was accompanied by SDM Sumbal, Tehsilidar Sumbal, officers of Flood Control Department, and other senior officers of the district.
