## CBI court frames charges against State Tax Officer

■ STATE TIMES NEWS  
JAMMU: Special Judge CBI cases Jammu Bala Joyti framed charges against Ramneek Singh State Tax Officer who was caught red-handed by CBI.  
According to the CBI case that on 27.04.2022 Ramneek Singh while working as State Taxes Officer, Circle Kathua-I being public servant demanded bribe of Rs. 15,000/- (Rs. Fifteen thousands) from one Keshav Mahajan complainant for refund of excess balance in electronic cash ledger of his firm "KS outlier Media Network Private Ltd", and in pursuance to this demand, he on 29.04.2022 demanded and accepted the bribe of Rs. 13,000/- as payment from complainant Kashav Mahajan, at Lane No. 3, Greater Kailash, Jammu inside the Complainant's car from Complainant as undue advantage for himself by abusing his official position as a public servant, for getting cleared 03 applications filed by the Complainant for refund claim of firm M/s KS Outlier Media Network Pvt. Ltd. and for issuance of new GST number in the name of firm M/S Shaucha Food and Beverages Pvt. Ltd. as undue advantage for himself thereby abusing his official position as a public servant as a motive for refund of excess balance in electronic cash ledger of his firm KS outlier Media Network

Private Ltd. and thereby he had committed an offence punishable under section 7 of the PC Act 1988.  
Special Judge CBI Bala Joyti after hearing both the sides observed that after perusal of the complaint report of IO including that of TLO it appears that there is sufficient material, prima facie found against the accused person. According to prosecution the accused person demanded Rs. 15,000/- from the complainant for refund of excess balance in electronic cash ledger of his firm KS outlier Media Network Private Ltd but subsequently it was settled for Rs. 13,000/-. During verification, it is found that three applications filed by the complainant against the accused person are pending with the accused person. It is argued that in presence of independent witnesses, accused Ramneek Singh was caught red handed during a trap laid by CBI team, while demanding and accepting bribe of Rs. 13,000/- from the complainant Keshav Mahajan on 29.04.2022.  
After keen perusal of the file, prima facie, it appears that there are sufficient grounds to proceed against the accused person that warrant for commission of offence under section 7 P.C.Act 1988. Accordingly charge is framed against the accused person for commission of aforesaid offence.

## Share of loans bearing over 9 pc interest rate hits 56.1 pc in March: RBI

■ STATE TIMES NEWS  
MUMBAI: The share of loans bearing over 9 per cent interest rate rose to 56.1 per cent in March 2023, in tandem with the monetary tightening measures starting May 2022, said a Reserve Bank report on Friday.  
The Reserve Bank started raising interest in May 2022 to rein in inflation in the wake of global supply disruptions, following the Russia-Ukraine war. Since then the benchmark short-term lending rate has increased by 250 basis points. However, the RBI did not raise the rate in its last two bi-monthly monetary policy reviews. "Consistent with the monetary tightening measures during 2022-23, the share of loans bearing over 9 per cent interest rate rose to 56.1 per cent in March 2023 from 31.4 per cent a year ago," said the Basic Statistical Return on Credit by Scheduled Commercial Banks in

India - March 2023. The RBI further said all population groups recorded substantially higher credit year-on-year growth in 2022-23.  
The annual growth in lending by metropolitan branches of banks accelerated to 15.2 per cent in 2022-23 from 9.2 per cent growth in the previous year and 1.4 per cent growth in 2020-21. Rural, semi-urban and urban branches have recorded double-digit growth in all these three years. Personal loans are growing at a robust pace in recent years; their share in total bank credit has risen to 28.2 per cent in March 2023 from 21.3 per cent five years ago.  
The central bank also said despite acceleration during 2022-23, industrial loan growth remained well below the growth in total credit; industry share in total bank credit has declined to 25.0 per cent in March 2023 from 34.7 per cent five years ago.
