**Subject:- Final notice for construction of Balance work of the Road tnsnan to Margl Stage1st.**

The contract of the above noted Road stands allotted to you by the Worthy Chief Engineer PMGSY (JKRRDA) Jammu vide allotment No. CE/J/PMGSY/8058-66 dated:- 06-10-2015 with the stipulated completion period of 12 months to be reckoned w.e.f. 21-06-2015 as per the agreement entered in with the Department vide Agreement No. U/CE/PMGSY/J of 2015-16 dated:- 06-10-2015. After elapsed of your intended completion period of 12 months and with a further delay of 07 years 02 months you are not in a position to complete the balance remaining work which clearly indicates your seriousness about the completion of work by deployment of requisite men, machinery and material at site. During the last working season you made firm commitments with the undersigned for completion of the balance remaining works particularly the balance grade cutting and width in stretches in km11th and 12th at any cost but you betrayed the Department by giving false commitments which is a serious breach of contract on your part. The movement of heavy vehicular traffic is getting badly hampered in the stretch mentioned for want of proper formation width and grade as there is every apprehension of any fatal accident in absence of the said required improvement as per the specified grade and formation width for which you will have to face the consequences. After opening of the Marganpass Road after winter blockade you were timely directed to deploy the requisite men, machinery and material at site for early completion of the remaining balance work for which you again made firm commitments to deploy the same at an earliest but months together have elapsed and still you have not bothered for deployment of the machinery required thus adopting the practice of delaying tactics which is being taken very serious by the Worthy Principal Secretary to Govt. PW (R&B) Department UT of J&K who has categorically directed for taking stringent action against you under the Contract Agreement by imposition of all the liquidated damages/ penalties together with debarring you from any further tendering process. As you have remained consistently on default right from the initiation of the work as you have utterly failed to complete your allotted work even after such a prolong spell of delay which is attributed to your deficient resources of men, machinery and material despite of being the site encumbrance free right from the beginning.

In the backdrop of above facts you were notified through the medium of this 3rd and final notice to deploy your sufficient resources of men, machinery and material within 05 days from the issue of this notice failing which the contract will be recommended for termination with imposition of all the liquidated damages and penalty forthwith as warranted under SBD/ Agreement clause which you should note very carefully and no further communication shall be entertained on your part which you should note very carefully. This may be noted as Final Notice No. 3rd served upon you the copy of which is retained in the office as record.
