

KVK Reasi organises awareness-cum-training programme on Kharif Pulses

■ STATE TIMES NEWS
 REASI: Krishi Vigyan Kendra (KVK), Reasi under the administrative control of Sher-e-Kashmir University of Agricultural Sciences and Technology - Jammu (SKUAST-J) organized awareness-cum-training programme on scientific cultivation of Kharif pulses here at Kheral village of Pouni block in Reasi district which was attended by a number of women farmers of the area.

Sr. Scientist & Head of KVK Reasi, Dr. Banarsi Lal welcomed the participants and apprised them about the importance of pulse crops, their nutritional and food security benefits.

He said that Reasi district has immense potential in pulses and there is need to increase the production and

productivity of pulses in the area by adopting the latest innovations in pulses production.

He elaborated the scientific cultivation practices of Kharif pulses and guided the farmers on improved varieties of seed, Integrated Nutrient Management and Integrated Weed Management practices in the

Kharif pulses.

He also discussed in length on plant protection measures in pulses and said the participants that they should take timely remedial measures to manage the pulses diseases and insect-pests.

He told that in order to increase the income of the farmers' pulses can play a significant role.

He also informed the farmers that pulses help to increase the fertility of the soil as pulses plants helps to fix nitrogen in soil. He narrated that pulses production will not only increase the income of the farmers but also enhances the nutritional level of the people by their consumption as they are rich in proteins.

Dr. Lal also stressed on the formation and strengthening of Self Help Groups (SHGs) to empower the rural women. Participants took keen interest during the programme and ask many queries regarding the pulses production which were answered satisfactorily by the scientist. Participants appreciated the efforts of KVK, Reasi on promotion of pulses production in the area.
