JAMMU: CAREER ABACUS, a leading Abacus Teaching Institute, on Sunday opened its another branch at Mahakali Nagar, Digiana, here.

Dr Bharat Bhushan, Branch head welcomed Arvind Sharma, Director Career Abacus and parents and students.

Drawing competition was organised in which number of students participated.

The program started with demonstration of the kids which left the audience spell bound with the speed and accuracy of the kids.

The parents were appreciative of the quality of education being imparted by the Institute. Students who participated in the Demo session include Paras Gupta, Aditri

Faculty members along with students of new branch.

Sharma, Amira Gupta, GoonjVaid and AdhyavKushan.

Arvind Sharma, director of the Institute, highlighted the benefits of CAREER ABACUS Course and stressed upon the parents to teach this skill to their children.

He explained that Career Abacus not only improves the arithmetic skills but also helps in whole brain development of

kids by enhancing the memory, concentration, visualization, imagination and overall confidence of the students.

By using abacus and later on doing the sums mentally, children become self-reliant as they don't need any electronic or manual device to solve the sums. He insisted that this skill should be taught to the present generation as it can help in channelising their energy.

Sharma further informed the gathering that CAREER ABACUS is proud member of many Global Associations of Abacus which conduct International Grading Examinations, National and International Abacus Competitions. Students of Career Abacus have the privilege to compete in those competitions.

On spot admissions were done. Students who took admissions and won the prizes in the competition are Ravtegh, Sabnoor, Jugur, KawaljeetKour, Aayukta, Riyanish, Samridhi, Fatehjeet, Mehreen, Amritpal, Aadish, Naareen and Raghav Sharma.
