### Poem — 75th Anniversary of Independence

It is the 75th anniversary of independence of India

It is the anniversary

Of those who sacrificed their lives for India.

We always remember their sacrifice with tears.

Who spent their lives in jails for years.

We never forget those braves,  
We always honour them with flowers on their graves.

They always inspire us to lead the nation.

How can we forget their Sacrifice and contribution.

Independence is the fruit of their martyrdom,  
Always respect our soldiers who laid their life for freedom.

Pay tribute to our freedom fighters,  
That time of philosophers, poets and writers.  
Let us celebrate the 75th year of Independence,  
Let us salute to each and every member of Defence.

### Poem — 75th Anniversary of Independence

If we just look at the Constitution of a Word 'Ghar' in Hindi;

It is made up of two alphabets of Hindi Gha +Ra .

If we prefix Gha before Ra and suffix Ra after Gha ;  
it gets completed into the shape of Ghar .

And it has its deeper meaning in itself .

Rather we can say these two alphabets are  
complement to each other.

Its deeper meaning is compared to the depth of

oceans as well as to the height of sky .  
Everybody is unable to fulfill the needs of 'Ghar' ;  
however one may try hard in the world .

Even a king cannot fulfill the needs of  
'Ghar' not to speak of a common man.

Hotels are amongst the most visible and important aspects of a country's infrastructure. Hotel industry is a closely linked one to the tourism industry. A number of factors like promotion of tourism and rapid industrial progress have given a boost to hoteliering. The recent liberalisation of trade and opening up of economy will further lead to revolutionary growth in this sector.

The diversity of experience in hotel management is greater than in any other profession. Hotel industry involves combination of various skills like management, food and beverage service, housekeeping, front office operation, sales and marketing, accounting. Today, the rise in corporate activity (leading to greater number of business trips) as well as the wish to travel on holiday has made the hotel industry a very competitive one.

Educational Qualification:

Minimum qualification required to go for a course in hotel management is 10+2. For certificate, diploma and bachelors courses 10+2 is sufficient. Duration of certificate courses is six months to one year. Bachelor and diploma courses are of duration one and half to three years. Those with graduation can go for post graduate diploma courses the duration of which is one year.

Selection to most government recognised institutes is based on common entrance test. Test consists of English, Reasoning, General Science and General Knowledge.

The test is of two hour duration and is held around April every year. The test is followed by a group discussion and interview, in which a person's personality and confidence is seen. Private institutes also conduct tests of their own, the pattern of which is almost the same.
