The case was the outcome of an open verification conducted into the allegations of raising disproportionate assets by Magrey. During verification, it was found that Magrey is in possession of a double storey building in a plot of 8 Kanals at Trintha valuing about Rs 60 lakhs, one double storey building over 1 kanal of land under Khassra No.22 min situated at Sidhra Jammu

valuing about Rs 40 lakh, a piece of land measuring 8 kanals and 12 marlas under Khassra No.64 min situated at Reasi valuing Rs.20,000/-, land measuring 12 ½ marlas purchased vide mutation No.259 at Reasi valuing Rs.15,000/-, land at Batote valuing Rs.84,000/-, Vehicle Car-i-10 bearing No.0061-JK20 valuing Rs.4 lakh and steel fabrication shop at Trintha, Reasi valuing Rs.2 lakh in his name and in the name of his wife. During investigation, it was also established that the accused in his official capacity as then TSO CA&PD Reasi (now FCS&CA Department) had acquired the moveable and immoveable assets by ill gotten money through corrupt practices and the value of the assets held by him and in the name of family members is Rs.45,16,972.91 which is disproportionate to his known source of income. The allegations of raising disproportionate assets by the accused have been fully

substantiated.

Special Judge Anticorruption Udhampur SC Katal after hearing APP Himanshu Parkash for the ACB, observed that in the case in hand it is mentioned in the charge sheet that the questioner was served upon the accused and the accused has submitted his reply which is not found satisfactory by the investigation officer. Therefore, at this stage it cannot be presumed that accused was not given opportunity to explain/account for assets. "It is settled legal position that at the time of framing of the charge the evidence assembled by the investigation officer should be taken on its face value and thus, shifting the material assembled during the investigation for the limited purpose of ascertaining whether there are any grounds for presuming that the accused is guilty of offences against him, I find that prima facie commission of offence under section 5(1) (e) read with 5 (2) PC Act. 2006 is disclosed against the accused person. The charge-sheet has been framed accordingly," the Court observed.
