JAMMU: Akhil Bharatiya Gau Shala Research Foundation (ABGRF) on Sunday hit out at AIMIM chief Asaduddin Owaisi over his remark against the Gau Rakshaks on a national TV channel and demanded penal action for his brazen overture against the nationalist population working for the cause

of Gau Mata.

In this context, a meeting of the Foundation members were held here today in which they took serious note of the statement given by outspoken AIMIM leader claiming that freedom of speech is selective in the country as Muslims are not allowed this sovereignty but on the other hand Gau Rakshaks can

speak anything at their free will after the independence of India.

Taking a hard hitting stand, Advocate PS Chandel, Convenor ABGRF asked the government to tighten noose around Owaisi and other so-called leaders who are brazenly spreading hatred just to satiate their own vested political interests.
