NOTICE

Subject:- Jammu and Kashmir Private Security Agencies (Regulation) Rules, 2022; instructions regarding

The Jammu & Kashmir Private Security Agencies (Regulation) Rules, 2022, have been notified vide S.O. 227 dated 05.05.2022, with an aim to regulate the functioning of Private Security Agencies operating within the UT of Jammu and Kashmir.

Amongst other stipulations, Rule 7 of the *ibid* Rules, provides that before any person is employed or engaged as a Security Guard or Supervisor, the agency shall satisfy itself with the Character and Antecedents of such person in the manner as prescribed in the said Rule. Further, Rule 4(7) provides that the Licensee shall immediately intimate the Controlling Authority about any Criminal Charges framed against the persons forming the Agency or against a Private Security Guard or Supervisor engaged or employed by the Agency, in the course of performance of duties as Private Security Agency. A copy of such communication shall also be sent to the Officer in-charge of the Police Station where the person charged against resides. Furthermore, Rule 4(12) provides that after commencement of its business, the Security Agencies shall provide monthly list of its management and those engaged by it to the Controlling Authority and also share such a list to the officer in-charge of the Police Station where the registered office is situated.

Home Department of UT of J&K, has appointed the Controlling Authority for issuance of Licenses under the Private Security Agencies (Regulation) Act, 2005 and the Rules made there under. However, it has come to the notice of the Controlling Authority that some Private Security Agencies have engaged/employed persons as Security Guards or Supervisors without verification of character and antecedents. Further, it has been observed that intimation regarding the framing of criminal charges against the persons forming the Agency or against Private Security Guards or Supervisors engaged or employed by the Agencies in the course of performance of duties is not brought to the notice of the Controlling Authority, also the Security Agencies are not providing monthly lists as envisaged under Rules 4(12), which makes such agencies liable for action.

Accordingly, it is enjoined upon all the Private Security Agencies to get the verification of Character and Antecedents of Security Guards or Supervisors done before employing them as stipulated in the Rules and to bring to the notice of the Controlling Authority any Criminal charges framed against any persons forming the Agency or against Private Security Guards or Supervisors engaged or employed by the Agency and also provide monthly list of management and those engaged by the Security Agencies to the notice of the Controlling Authority and also to the officer in-charge of the concerned Police Station. Further, all the Government/Semi-Government, State/Central Public Sector Undertakings and the Private Institutions including Banks who are hiring the services of Private Security Agencies, are impressed upon not to hire the services of those Private Security Agencies whose employees' Character and Antecedents have not been verified according to the manner as prescribed in the Jammu and Kashmir Private Security Agencies (Regulation) Rules, 2022. Any deviation on this count shall be viewed seriously and action, as warranted under law, shall be initiated against such agencies.
