Students participating in an awareness camp at Udhampur.

■ STATE TIMES NEWS

UDHAMPUR: In view of the growing drug menace and spread awareness about the effects of drugs, Udhampur Police facilitated a drug awareness programme in the premises of Little Flower Convent High School Udhampur and attended by students as well as faculty members of the school.

The programme was

women Right Project at Special Cell for Women Police Station

PSI Pallavi Rajput and PSI Sahil Chib shared their experiences and were made aware the students about the Drug Abuse and its consequences, topics of POCSO Act and consequences of early marriage; cyber crime related topics were also discussed during the programme.

Speaking on the occasion, Devika Sharma (Drug Counsellor), also spoke on the occasion and highlighted her experience in treating drug addicts.

Azra Khan highlighted the importance of generating awareness on the pertinent issue of sexual harassment at workplaces and underscored the requirement of gender sensitization for both men and women.

organised by Udhampur Police on the directions of SSP Udhampur Dr. Vinod Kumar, in order to create awareness among students and teachers so that they could know about the bad effects of drugs. The event was chaired by PSI Pallavi Rajput, PSI Sahil Chib, Devika Sharma (Drug Counsellor Drug De Addiction Centre DPL Udhampur) and Azra Khan (Social Worker on

JU's Kathua campus organises plantation drive

■ STATE TIMES NEWS

JAMMU: NSS Unit VI at Kathua Campus of the University of Jammu organised a plantation drive in collaboration with the Forest Department of the Government of JKUT as part of the country-wide 'Azadi ka Amrit Mahotsav' celebrations under the theme of year 2022 '#OnlyOneEarth', to highlight the safeguarding of the planet's natural resources and their critical importance. The drive was started by the first sapling planted by Dr. Meenakshi Kilam, Rector Kathua Campus. The plantation drive was attended by all the faculty members, non-teaching staff and NSS volunteers of both the Kathua Campus and University Institute of Engineering and Technology. More than 100 Tree saplings were planted by NSS volunteers, faculty members, and non-teaching staff under the aegis of the 'Green India Clean India' campaign. Amit Sharma, NSS Programme Officer, Kathua Campus highlighted the support and dedication of the Rector Kathua Campus, Dr. Meenakshi Kilam to make the campus eco-friendly. On this occasion, Mr. Amit Sharma giving the rationale of the drive said, "We are committed to make Kathua Campus enriched with biodiversity. Pankaj Khajuria, Assistant Registrar Kathua Campus emphasised the need to plant trees to purify the campus atmosphere and inculcate the sense of the importance of different species of plants in maintaining our healthy lifestyle. Among others the various faculty members from MCA, MBA, UET are Dr. Sourabh Shastri, HoD MCA, Dr. Sunny Sharma, Pranav Ratta, Ritika Goyal, Dr. Mahesh Koul, Anjali Gupta, Thirika Nath, Kamakshi, Gourav, Dr. Zahin Ansari, Er Sarvulhaman.

AHD organises special awareness camp on LSD

■ STATE TIMES NEWS

KISHHTWAR: A Special Awareness Drive was today launched by the Department of Animal Husbandry Kishtwar to inform dairy farmers about Lumpy Skin disease among cattle.

The event was held under the guidance of Chief Animal Husbandry Officer, Dr Sanjay Kumar Sen.

A team visited chowgan ground and its surroundings and interacted with the dairy farmers and updated them about the prevention and treatment of LSD.

Ward Member Begana said that there is no case of the Disease in the village and agreed to have awareness camp at Begana by tomorrow in the village. After

examining 40 animals no case of lumpy was seen.

Meanwhile, adjacent villages were made aware about the LSD control measures by another team through public address system.

The villages included Hullar, Poochie, Bandera, Indra Nagar, Kulied, wasser and Malipeth. The Ring Vaccination was also administered in some areas, while suspected cases were responding to treatment. The area RRTs are in contact with the owners of animals with Lumpy Skin Disease symptoms. Free medicines were also given to affected animal owners. Till date only 7 suspected cases have been registered in the district.

The event was held under the guidance of Chief Animal Husbandry Officer, Dr Sanjay Kumar Sen.
