Explain achievements to people of J&K made in last three years: Congress asks BJP

JAMMU: When shall the historical Dogra state be restored, said $\bar{\rm J}{\rm K}$ PCC Chief Ravinder Spokesperson Sharma asking BJP to explain the achievements and benefits to the people especially the youth of Jammu and Kashmir in last three years, post abrogation of special status and downgrading of state into UT.

The record unemployment in Jammu and Kashmir, lack of job opportunities in Govt. and private sectors, opening of jobs and lands besides all business opportunities and contracts to outside people, have snatched away the limited jobs, sources from J&K people, post abrogation of special status, he added.

The security scenario has worsened as selective and targeted killings of innocents including minorities have taken place during this period, Instead of return of Kashmir migrants those staving or serving in valley

were targeted & are feeling insecure. Not only KPs, Jammu employees and others and outsiders are becoming soft targets and getting

killed. The promise of thousands of jobs in government and in private sectors are distant while dreams those selected/qualified in recruitments are finding their future bleak due to scams, in the recruitment process unearthed recently.

Those protesting for seeking due rights are treated brutally without any sympathetic approach to their genuine issues. Be it unemployed youth, daily wagers, contractual, adhoc or other temporary employees seeking redressal of their griev-

ances, which is inhuman. He said that Congress demands immediate restoration of statehood with safeguards for land and jobs for locals besides early holding of assembly elections, to restore
