**STATE TIMES NEWS**  
NEW DELHI: In a pathbreaking step to bring ease of living for elder citizens, Union Minister of State (Independent Charge) for Science and Technology, Minister of State (Independent Charge) for Earth Sciences, MoS PMO, Department of Atomic Energy, Department of Space, Personnel, Public Grievances and Pensions, Dr. Jitendra Singh will unveil new simplified pension application form for its retiring employees tomorrow, according to an official statement.

The Department of Pension & Pensioners' Welfare (DoPPW) had vide its notification dated July 16, 2024 released the simplified pen-

sion application "Form 6-A", it said.

"This form will be available in Bhavishya/e-HRMS (online modules) to all the central government employees who are going to retire in December 2024 and onwards. The retiring officials, who are on e-HRMS, will fill Form 6-A through e-HRMS (only superan-

nuation cases) and the retiring officials, who are not on e-HRMS, will fill Form 6-A in Bhavishya," the statement issued by the Personnel Ministry on Thursday said.

According to the statement, this new form and its integration with Bhavishya/e-HRMS will be launched on August 30, 2024 by Union Minister of State for Personnel, Public Grievances and Pensions Jitendra Singh. Form simplification has been an important initiative of the Centre's "maximum governance-minimum government" policy, it said.

In this new form, a total of 9 forms/formats have been merged, the statement said.

This new form and related

changes in the business process of Bhavishya will be a game changer as on the one hand it simplifies the pension form submission for the employee through "a single sign only" and on the other hand achieves the end-to-end digitisation of the entire process of pension processing till the start of pension payment after retirement, it added.

"This paves the path towards paperless working in the whole process of pension," the statement said.

It added that with a pensioner-friendly user interface, pensioners no longer need to worry about the forms they have filled out or might have missed.

The Media War Room is envisioned as a strategic hub to strengthen the party's connection with the public through the media, during assembly elections in Jammu and Kashmir", said Tarun Chugh.

He emphasized the importance of this initiative in bridging the gap between the party and the people.

Chugh noted that the pri-

mary purpose of setting up the Media War Room is to ensure that the party's voice reaches the public efficiently and effectively through various media channels.

He highlighted that direct contact and communication with the people is crucial in ensuring that the party's policies, achievements, and future plans are well understood by the masses.

Launching a scathing attack on the National Conference, Chugh questioned their stance on the restoration of Article 370.

He said that during the BJP's tenure, Jammu and Kashmir witnessed a period of peace and prosperity, in contrast to the difficulties faced by the people under the governance of the National Conference.

He presented statistics to illustrate the improvements made in Jammu and Kashmir during the BJP's tenure, citing a significant decrease in infiltration and terrorist attacks, and an overall improvement in the security situation.

Chugh asserted that the BJP has successfully brought about a positive transformation in the region, and this progress would be at risk if the National Conference were to regain power. In a bold move, Chugh challenged National Conference Vice President Omar Abdullah to a debate on the current situation in Jammu and Kashmir and the improvements made by the BJP.

Chugh pointed out that during the NC's rule, the region was mired in challenges, whereas the BJP, through various beneficiary schemes and steps, has

worked tirelessly to improve the lives of the people in Jammu and Kashmir.

Chugh warned that the National Conference aims to bring back the dark days of the 1990s, a time marked by terrorism and sectarianism.
