**New GST Registration System**  
Biometric based Aadhaar Authentication and Document verification system for new Registration

**Biometric Based Aadhaar Authentication for new GST registration rolled-out in Jammu & Kashmir from August 2, 2024.**

**FREQUENTLY ASKED QUESTIONS (FAQs)**

Q) Is it mandatory for all the applicants/taxpayers to get Biometric Aadhaar Authentication while applying for GST registration?

A) No, Biometric Aadhaar Authentication is not mandatory for all applicants/ taxpayers. It is mandatory for Normal taxpayers based on risk parameters.

Note: Once Biometric is done, then the taxpayer doesn't need to do it again for other applications.

Q) How will I get the information regarding Biometric Aadhaar Authentication while applying for GST registration?

A) Once you submit new registration application (REG-01) with the YES option for Aadhaar Authentication, then PAN validation will be done with CBDT and once PAN validation is successful, then you will be asked to visit the nearest GST Suvidha Kendra for biometric authentication. You will be communicated through e-mail and SMS with the TRN submission.

Q) Is it mandatory for both Partner/Promoter and Primary Authorized Signatory to visit GST Suvidha Kendra for Biometric Aadhaar Authentication?

A) In case promoter/partner and Primary Authorized Signatory are two different persons, then both would have to visit the designated GST Suvidha Kendra to get your Aadhaar authenticated. If Promoter/Partner and Primary Authorized Signatory are same, then only that person would be required to go designated GST Suvidha Kendra for Biometric Aadhaar Authentication.

Q) How many days will I get for the Biometric Aadhaar Authentication? What is the validity of the TRN Number?

A) You will get 15 days to get Biometric Aadhaar Authenticated.

- The 15 days will be calculated from the date of submission of Part B of Registration application i.e. before PAN validation.
- In case PAN validation fails, you will be required to resubmit the application. In such case the 15 days will be calculated from the date when you resubmit the application.
- In case you have not submitted the Part B and 15 days elapse, in such cases system will not convert these TRNs into ARNs.
- In case the Part B is submitted, PAN validation and risk score generation is successful, and Biometric Verification is not completed by Promoter/Partner and Primary Authorized Signatory within 15 days from submission of Part B, the TRN will be automatically converted into ARN with mandatory Field Visit.

Q) By when ARN will be generated after the Biometric Aadhaar Authentication?

A) If the Biometric Authentication is successful for both Primary Authorized Signatory and Promoter/Partner, ARN will be generated immediately.
