

BBIA hails Industry Commissioner's commitment to supporting J&K's Existing Industry

STATE TIMES NEWS

JAMMU: Bari Brahmana Industries Association (BBIA), led by Sr. Vice President Tarun Singla along with Rajesh Jain, Secretary, and Rishi Kant Gupta, Treasurer, BBIA, on Wednesday engaged in a promising discussion with Vikramjit Singh, Commissioner/Secretary of the Industries & Commerce Department of J&K.

The session underscored the department's robust commitment to bolstering the existing industries that are central to the region's economic framework. Commissioner Singh assured the delegation that

BBIA delegation calling on Vikramjit Singh, Commissioner/Secretary I&C Department J&K.

efforts are actively underway to secure additional funding from the Government of India to fulfill previously promised turnover incentives.

He recognized the challenges faced by existing industries in availing of new industrial packages and committed to identifying innovative solutions to support these vital economic contributors.

The Commissioner also addressed the urgency of implementing a price purchase policy and rectifying the negative list that restricts certain industries from receiving state benefits.

He committed to taking swift action to align with the Government of India's guidelines.

Moreover, plans are in place to study the feasibility of establishing check posts to protect local industries from unfair competition from external suppliers and to advocate for exemptions from the mandi tax that significantly impacts their operational costs.

Highlighting the importance of continuous dialogue, Commissioner Singh

proposed the idea of monthly brainstorming sessions, a move that the BBIA greatly appreciated.

"His vision and proactive approach have instilled a renewed sense of optimism within our community. Regular interactions of this nature are essential for effectively addressing the industry's concerns," remarked Tarun Singla, Sr. Vice President of BBIA.

The BBIA remains hopeful about the prospective improvements these commitments could bring to the existing industries, which form the backbone of Jammu and Kashmir's economy. "With the Commissioner's support, we are looking forward to a brighter, more stable industrial future in our region," he said.

MD & CEO J&K Bank Baldev Prakash unveiling new digital offerings including two loan products and a self-audit tool for its staff.

STATE TIMES NEWS

SRRINAGAR: Taking one more step in its digital transformation journey towards enhancing customer experience and streamlining financial services, J&K Bank today launched new digital offerings including two loan products and a self-audit tool for its staff.

MD & CEO Baldev Prakash unveiled the digital journey for Credit Card and Two-Wheeler Finance besides Self Audit Solution for staff on Wednesday in the presence of Bank's Executive Director Sudhir Gupta, General Managers, DGMS, and other senior officers here at the corporate headquarters. Divisional Heads from Jammu, Kashmir, and the rest of India also joined the ceremony via video conferencing.

MD & CEO of J&K Bank said, "I am happy that we are moving ahead in our digital

journey exactly the way we envisaged. The journey has started to bear fruits in the form of Bank's continued progression on many fronts."

"The introduction of digital journey for credit card and two-wheeler loan will surely enhance the customer experience while making processes easier and convenient. These digital products represent our commitment to aligning with changing customer expectations. Through this digital transformation journey, we will continue to provide our customers with innovative, secure and efficient financial solutions. And we have many more digital products lined up for our valuable customers in the months to come", he added.

He further said, "And with a tool like Self-Audit Solution for our staff, I am sure there will be prompt audit, accountability and monitoring to further

improve the organizational efficiency."

General Manger (Supervision & Control) Shareesh Sharma outlined various features of the Self-Audit Tool, which he said will enhance data integrity, real time monitoring and early detection of irregularities. "Its key features include increased compliance, tailoring audit procedures to meet specific requirements while reducing risks and optimizing costs through efficient audit practices", he said.

Earlier, DGM (BPR) Mohammad Muzaffar Wani gave a detailed power-point presentation of Bank's digital journey during the last two years and highlighted all the products that the Bank has designed for enhancing the customer-convenience and service-efficiency. He also spoke about the Bank's future plans to further boost its digital journey.

Notably, customer can apply now for credit card from anywhere and his/her eligibility will be evaluated real-time and once all the processes are completed credit card will be delivered at his/her given address. Similarly, for two-wheeler finance, a customer can apply online anywhere, anytime and get a sanction letter to avail the loan as per the eligibility.
