STATE TIMES NEWS

DODA: Series of awareness events on mental health and stress management was on Saturday organised by the Department of Health and Family Welfare Doda to mark the "World Suicide Prevention Day".

The District NCD Cell organised the awareness programme at ANMT School Doda under the supervision of Chief Medical Officer, Dr Mohd Yaqoob Mir and on the directions of the Director Health Services Jammu.

Speaking on the occasion, the Chief Medical Officer highlighted the importance of addressing the problem of rising suicidal tendency and its prevention. He listed different activities through which suicides can be prevented.

District Mental & Health Programme Officer, Dr Zia Showket Mughal, who was

CMO Dr Mohd Yaqoob Mir addressing students.

the Resource Person on the occasion, delivered a detailed lecture on the subject.

Dr Zia Showket Mughal said that suicide is one of the leading causes of death worldwide and according to the World Health Organization (WHO) more than 700,000 people die by suicide every year. It is the fourth leading cause of death among the 15-19-years age group, he added.

Elaborating further, Dr Zia said suicides also have a rip-

avirous, lack of social gatherings and so on. The best way to prevent suicide is to recognize warning signs and know how to respond to such a crisis, said Dr Zia Showket.

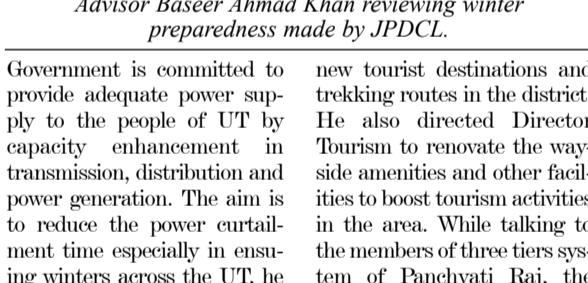

District Finance & Logistic Consultant NCD Doda Mohammad Faheem Butt also spoke on the occasion and appealed to the participants to create mass awareness at community level and motivate people to come out of problems and cooperate with this complicated issue so that precious lives can be saved. The programme was attended by the students of ANMT School Doda besides the staff from CMO Office.

Similar kind of awareness programmes were also held at Medical Block Assar, Bhaderwah, Gando, Ghat and Thathri on the occasion of "Azaadi ka Amrit Mahotsav" initiative. The Freedom run 2.0 was

ple effect on an individual's family, friends, colleagues and communities. It is, however, preventable and several steps can be taken to help the vulnerable, he said.

The goal is to shine a light on the issue and reach out to the people who are struggling, before it's too late. The ongoing pandemic has made people more anxious, depressed and susceptible to take such extreme steps for several reasons, like job loss, losing a close one to coron-

Advisor Baseer Ahmad Khan reviewing winter preparedness made by JPDCL.

Government is committed to provide adequate power supply to the people of UT by capacity enhancement in transmission, distribution and power generation. The aim is to reduce the power curtailment time especially in ensuring winters across the UT, he added.

The Advisor directed the Chief Engineer JPDCL to conduct survey in the district for the replacement of wooden and damaged electric poles, wires, conductors and other material required for smooth supply of electricity and in the process involve the PRIs also. He added that the funds have already been released in this behalf to create a robust electricity network in the UT. He also directed the Chief Engineer to replace all wires wherever required to improve power supply in the district besides electrifying the unopened areas. Responding to the demands of people, the Advisor directed the Director Tourism and Deputy Commissioner to explore the

the nation, he added.

Responding to the demand of Beopar Mandal to develop Bus Stand, the Advisor directed the District Administration to identify suitable land and prepare a plan for the construction of Bus Stand and submit the proposal to the concerned department. Regarding the issues of sanitation highlighted by the delegation, the Advisor directed the Urban Local Bodies and the Deputy Commissioner to have the sanitation concerns resolved and construct a community toilet complex in the Banihal town.

The Advisor also asked the PRIs to cooperate with Administration in implementing all preventive measures to prevent spread of 3rd wave of Covid infection. He said the threat of third wave of COVID is still there and proper measures need to be taken to prevent spread of virus. The Advisor highlighted the requirement of following proper COVID appropriate behaviour and the protocol set in this behalf especially in view of opening up of schools and other activities.

Earlier, PRIs expressed their satisfaction about the qualitative change in the national highway. They highlighted the improvement in maintenance of highway by means macadamisation and widening at critical places. The PRI further placed their

new tourist destinations and trekking routes in the district. He also directed Director Tourism to renovate the wayside amenities and other facilities to boost tourism activities in the area. While talking to the members of three tiers system of Panchayati Raj, the Advisor asked them to work in coordination to ensure effective execution of development projects and implementation of other beneficiary oriented schemes. He directed the Director RDD to identify development works to generate more man days to provide more job opportunities to locals besides ensuring training programmes for DDC and BDC members for their capacity building. He also directed the District Administration to identify state land at panchayat levels to be made available to RDD so that play fields in all the panchayats are developed. This would channelize the energy of youth in the development of
