wise planning from District Prabhari and Morcha Presidents.

Ashish Sood concentrated on the public outreach programmes while conducting "Sewa aur Samarpaan Abhiyaan" programmes and asked the party leaders to be pioneer in establishing one to one contact with the local masses through these programmes. He also asked about the involvement of local masses in these activities like Blood donation Camps, plantation drive, cleanliness of water bodies.

Sood said that these events remind us of the importance of complete dedication to our

country and its people, a quality that has been a feature of these 20 years in Prime Minister Narendra Modi's active political life. Vibodh Gupta stressed on the need of more and more involvement of the common masses in these programmes and spread the message with involvement of each individual party activist.

Dr. Manyal added that it is important to ensure all the adequate safety precautions to be taken under standard COVID protocols, while performing these activities.

Priya Sethi provided the details of the mega event of inauguration of exhibition on 17th September.

Dr Avtar Singh brings new hope for his patient

■ STATE TIMES NEWS

JAMMU/AMRITSAR: Chief Orthopaedic & Joint Replacement Surgeon at Amandeep Group of Hospitals, Dr. Avtar Singh donated a bicycle to one of his patients, who had lost his legs in a train accident. 23-year-old Rajesh had both his legs amputated after the accident. He was brought to Amandeep Hospital in a painful condition and, performed the surgery and

implanted artificial limbs. Lost in his despair and pain, Rajesh thought he would never be able to live a normal life. But Dr. Avtar gave him a ray of hope with the artificial limbs and this became a life-changing procedure for Rajesh.

After recovering successfully, he today wears a broad smile as he has returned to leading a happy and contented life. He is having more than 10 million followers in josh App. He is a passionate dancer and can pursue his passion with the support of his artificial legs. "After the accident, I had lost all hope and felt that life would be miserable. But Dr. Avtar and the staff of Amandeep Hospital have brought back mobility to my life and an opportunity to earn my bread, without being dependent on anyone," said Rajesh.

At Amandeep Hospital, we aim to rehabilitate a patient not only physically but also socially. Our connection with the patient is heartfelt and we treat every patient with love and care. This bicycle symbolizes independence and hope. I wish Rajesh all the very best in life," said Dr. Avtar.

This generous act by Dr. Avtar Singh has helped Rajesh reintegrate into society with dignity and has made him self-reliant.
