SRINAGAR: PDP president Mehbooba Mufti was put under house detention on Tuesday and she claimed that the decision of Jammu and Kashmir authorities to restrain her movement had "exposed the government's claims of normalcy".

She also hit out at the Centre alleging that while the government was expressing concern for the rights of the people in Afghanistan, the same were being denied to Kashmiris.

"I've been placed under house arrest today because according to admin (administration) the situation is far from normal in Kashmir. This exposes their fake claims ofnormalcy," Mehbooha who is the last chief minister of the erstwhile state, tweeted.

"GOI expresses concern for the rights of Afghan people but wilfully denies the same to Kashmiris," she added.

Monday she accused the

administration of turning the valley into "an open air prison" where "the dead aren't spared".

"A family isn't allowed to mourn and bid a final farewell as per their wishes. Booking Geelani sahab's family under UAPA shows GOI's deep-rooted paranoia and ruthlessness. This is New India's Naya Kashmir, she tweeted.

However, hours later, the Jammu and Kashmir Police released videos of the funeral of Geelani, who died on September 1 at his home after a prolonged illness. He was 91.

A statement was also released by the police clocking events after his death saying that its officers were made to wait for three hours at the separatist's home when they went there for his
