Shiv Sena vows to make J&K drug-free

STATE TIMES NEWS
JAMMU: Expressing serious concern over the growing attraction towards drugs among the youth of the state, the Shiv Sena Jammu and Kashmir unit vowed to make Jammu and Kashmir drug-free and will invoke every possible effort to keep the youth away from drug addiction. In this context, Manish Sahni, J&K President Shiv Sena asked the Hookah bars owners running their shops secretly in the city, which are making youth victims of drugs under the guise of herbal hookah, to immediately shut their shops. He warned that if they would not consider his advise then the Shiv Sena will uproot them. Sahni also appealed to the youth to stay away from drugs. He said that most of the youths do not even know when

they get addicted to hookah while consuming hookah just for the thrill. Surprisingly, these hookah bars are running indiscriminately under the nose of the police. It is not an exaggeration to call those who are the first step towards attraction towards drugs, he said. Sahni warned that the government and the police administration should immediately shut down these illegal hookah bars, otherwise the Shiv Sena will itself uproot them to save the younger generation from drowning in the throes of drugs. Because the growing trend of hookah bars is playing a big role in pushing the younger generation towards drugs, he asserted. Sahni said that the drug trade in Jammu and Kashmir is growing with every passing day.
