

Schools must convert their corridors into Knowledge Gallery: Principal JKPS Kunjwani

TIME LINE

STATE TIMES NEWS

JAMMU: Making a clarion call to the Edu-leaders across the City of Temples Jammu on the utilization of the sprawling corridors in schools, Rajesh Rathore, Principal JKPS Kunjwani stated, "Every unutilized space in a progressive school, whether it be corridors, staircases, classrooms, boundary wall etc must be converted into learning resources."

Class appropriate items, namely, Timelines in History, depicting Kingdom & rulers, Historical monuments, Literary works etc; Diversified maps pertaining to Rainfall, Agriculture, Commerce & Industries,

Forest cover, River system, Mountain ranges, National Parks & Bird sanctuaries in Geography; variety career choice options available today pertaining to Medical/Non-medical Science stream, Commerce stream & Humanities' stream along with the details of top Institutions related to the field, date of filing Application, selection criteria etc must be displayed properly to evolve students as well-informed individuals ready to take on the future challenges of professional life.

"In addition, display boards in classrooms also help to assist children's learning in more indirect

ways, by rounding out a child's mental and emotional education. Display boards in classrooms that are used to showcase student work help to give purpose and value to their schoolwork, giving pupils positive affirmation that their work is appreciated, and that every child's work matters. In addition, where such displays are used as rewards for exceptional work, they can not only provide encouragement and goals to aim for, but also offer inspiration to other pupils, building a culture of support and learning", reflected the Associate VP, JKPS Kunjwani, Roopinder Kour.

Responding to the multi-faceted utility of Display boards, Inderjeet Kour, School Coordinator, JKPS Kunjwani stated, "School is a place where it's important for everyone, both staff and students, to feel welcomed. One of the best ways to create a friendly atmosphere is to cultivate a sense of community - and one of the easiest ways to do this is through a large notice-board or display board in a school corridor. Things we can display on our Bulletin board can include details of upcoming events, such as parent-teacher meetings, Sports matches, extracurricular classes, volunteering opportunities,

lunch menus as well as school news, latest Circulars, prize-winning masterpieces, Choicest work pertaining to art exhibitions and much, much more".

Words of wisdom found manifestation in the brilliant commentary of Shashi Rattan, Vice Principal, JKPS Kunjwani, "Schools are often spread over acres of campus, which house thousands of people; from teachers and students to support staff, visitors and parents. One of the most challenging aspects of running an educational Institution is ensuring the safety of all those on campus. Display boards offer a unique way to keep every-

one informed about safety information, such as, escape routes, fire evacuation strategies, off-limits zones and more. By installing display boards in major corridors and thoroughfares, as well as in each and every classroom, we can ensure that everyone on campus is aware of the closest emergency exit and what the procedure is in case of a fire or other emergency".

Besides, the Display boards transform the dull corridor walls into vibrant colourful knowledge gallery, catching the fancy of young learners in myriad forms. Since visual memory stays for a longer duration, so relevant information displayed at the strategic locations in the school premises is the pressing need of the hour", the Principal concluded.

pupils can grasp a learning situation significantly faster when images are involved. By using either a wall-mounted or freestanding display board as part of lessons, teachers can offer a more in-depth learning experience for their students, he added.

"Besides, the Display boards transform the dull corridor walls into vibrant colourful knowledge gallery, catching the fancy of young learners in myriad forms. Since visual memory stays for a longer duration, so relevant information displayed at the strategic locations in the school premises is the pressing need of the hour", the Principal concluded.

Warm send-off accorded to Climber Shivani by Tawi Trekkers

STATE TIMES NEWS

UDHAMPUR: Ace Sport Climber of J&K, Shivani Charak was given a warm send off by the Mountaineering Association of J&K (MAJK) for the two important events of Asian Climbing Championship and World Cup (Olympic format) to be held at Seoul in Korea and Marioka in Japan.

While the Asian Championship shall take place from October 10 to 16 in Korea, the World Cup slated to be held in Japan from October 18 to 23, a handout issued by the MAJK informed.

Earlier, Shivani was selected by the Indian Mountaineering Foundation (IMF), New Delhi, the apex body for mountaineering and sport climbing in India, for representing the country.

Shivani Charak, the top ranked women climber of India along with Anisha Verma of East Zone has been selected to participate

Shivani Charak with other dignitaries at the send-off function in Jammu.

these two important international events.

Pertinent to mention here that 21 years old Shivani Charak is an incredible sport climber of India who has won a Bronze medal at the Asian Youth Championship besides a staggering 26 medals including 11 Gold and 12 Silver medals at the National level.

Currently, Shivani is one of the most prominent sport persons of India who

recently featured in "Super Star Singer 2022" telecast on Sony TV along with legend Mithali Raj and Tapsi Panu, a famous Indian Actress. She has also featured in "OMG ! Yeh Mera India" programme telecast on History/ TV 18.

She also has the distinction of being interviewed by the news platform of the International Olympic Committee where she shared her achievements with the Olympic Movement.

It may also be mentioned here that Asian and World Cup competitions are part of the pre-Olympic preparation and performance in these events shall facilitate Shivani's selection for the Asian Games to be held in China next year.

Earlier, Shivani was wished good luck in a send off function organised by Tawi Trekkers J&K, parent club of Shivani Charak, led

by its chairman Anil Goswami, former Union Home Secretary. Prominent among others present on the occasion included Zorawar Singh Jamwal (co-chairman) Rahul Sharma (patron), Ram Khajuria (president), Mridhu Padha (vice president), Shawetica Khajuria (general secretary) and Sakshi Magotra (joint secretary) as also senior members, Sumit Khajuria, Narinder Singh and Vishali Sharma besides Vivek Chauhan (Principal Oriental Academy), Prof. Suman Lata (Director Physical Educational GCW, Parade), international climber, Shilpa Charak and other young members.

Dr. Sumit Dubey, Department of Mathematics, Lt.(Dr.) Rachna Devi ANO and HOD Psychology, Lt.(Dr.) Verinder Singh, HOD PG Department of Geography, Dr. Shamsher Singh, HOD Urdu, Dr. Kamaldeep Singh, HOD Punjabi, Dr. Pinky Sharma. Later on, Principal distributed runner and winner trophies to the participating teams.

He has also honoured the elite Kabaddi players of GDC Kathua with floral garlands to the members of College Men & Women Kabaddi Teams, who represented the college at District Level Competition on the theme My Youth My Pride Campaign launched by Governor UT of J&K Manoj Sinha during the felicitation ceremony here at GDC Kathua.
