needed skywalk conceptualised with an emphasis on safety and facility that would provide separate paths for incoming and outgoing pilgrims at Bhawan. Costing over Rs 9.89 crore, the length of the skywalk will be nearly 200 metres and its width will be 2.5 metres. Besides, the skywalk will have seating arrangements for senior citizens and women with two waiting halls equipped with wash-room facilities are also being constructed along the skywalk to ensure seating arrangement for around 150 devotees, the work of which is expected to be

completed by November. Briefing on present status of Durga Bhawan, CEO informed that this high utility pilgrim-centric facility is likely to be commissioned shortly. The five-storey Durga Bhawan will have all requisite amenities.

CEO further contended that Shrine Board is striving hard for ensuring expeditious completion of all the development works for further augmentation of the facilities for the visiting pilgrims.

After inspecting the ongoing works, Dr. Arun Kumar Mehta paid obeisance at the Shrine.
