In an era where all services are getting IT enabled, the members of Pharma trade have to realize that adoption of electronic payments requires to be encouraged within their business premises.

It has been observed that some of the drug sale establishments existing / operating across the union territory who render services by way of dispersing medication to patients are not entertaining digital wallets /apps like phone-pe, paytm, Google pay which are effective, efficient and citizen-centric in nature and are instead dealing in cash only.

The e payment provides advantage of convenience, security and reduced costs. In this back drop, it is impressed upon all the Pharmacies operating within and outside Health Institutions (Government/Private Sector) to switch over to e payment option for their

The compliance of above instructions should be made within a week's time from the date of publication of this Circular. This step is being introduced in the larger interest of patient care as also for the benefit of stake holders. The adoption of a payment mode for the rest of Pharmacies is equally important & the decision to adopt the same is left to the
