Drone to deliver medicines, groceries to people in Kolkata's New Town area

■ STATE TIMES NEWS

KOLKATA: People of Kolkata, especially the ones living in the New Town area, are likely to get various commodities such as medicines, groceries and food delivered to their doorsteps with the help of drones soon, as a Delhibased logistics solution provider is planning such a move with the help of local

authorities. Capt Eshaan Khullar, the associate vice president of Skye Air Mobility Pvt Ltd, said the company has already made agreements with 10 -12 housing societies in New Town for the service as drones will help reduce the time taken in conventional ways of deliv-

ering goods. "We want to start with New Town and then move to Salt Lake and other tests, for delivering life-

saving drugs. This will be parts of Kolkata, besides going to the rural parts very useful when every where connectivity is an minute counts," NKDA issue, where going from chairman Debasish Sen point A to point B is a said after attending the problem," Khullar told PTI presentation programme on on the sidelines of a presen-Wednesday.

He said that police often need to create a green corridor for various medical reasons so that a patient or a product can reach its destinations fast. Khullar said the company

hopes to start delivery in New Town within two to three months and fullfledged operations are likely to begin within six months However, orders for deliv-

ery by drone have to be

made through food aggre-

gators and e-commerce

sites with which the company has a tie-up. Drones are used with permission from the Ministry of Civil Aviation and its associated agencies, he

The company said its drones are designed to deliver packages with weights ranging from 500 gms to 50 kg.

The company is focused on streamlining drone deliveries as a mainstream logistics solution for healthcare, e-commerce, quick commerce, agri-commodity and other industries, Khullar said.

The company said that it has earlier also conducted the World's longest BVLOS (Beyond Visual Line of Sight) medicine delivery flight with Flipkart Health of 104 km between Baruipur and Medinipur in West Bengal, reducing the delivery time by 80 per cent compared to conventional
