benefits of the initiative, emphasizing its potential to bridge the gap between traditional education and industry needs. He highlighted that the centre will play a pivotal role in improving employment prospects by offering hands-on vocational training. Prof. Pragati Kumar, Vice Chancellor, SMVDU addressed the gathering, urging students, faculty, and participants to seize the opportunities provided. He emphasized the importance of skill development in today's competitive world and expressed confidence that the Skill Hub Centre, backed by PM Vishwakarma and PMKVY schemes, will equip students with indus-

critical role such initiatives play in transforming the academic landscape. He encouraged students to actively engage in the training programs, stressing that skill development is not merely an adjunct to education but a key driver of career success. He also acknowledged the support from the Government of India and reiterated the university's commitment to providing world-class training and development opportunities for students and the wider community. Other members present on the occasion included Prof. Balbir Singh, Dean of Academic Affairs, Prof. M. Eswaramoorthy, Er. Deepak Byotra, Workshop Superintendent, Dr. Varun Dutta, Dr. Rajiv Kumar, Dr. Amit Sinha and other staff members.

AIIMS Jammu expands horizons: Paediatric Surgeries now available for infants, children

STATE TIMES NEWS
JAMMU: The health and well-being of a child are the cornerstones of a family's happiness. When a child suffers from illness, it impacts not only the young one but the entire family. Parents endure sleepless nights, their hearts weighed down by worry and uncertainty. But when a child is treated successfully, it is as though the entire family is given a new lease on life. The joy of seeing their child return to a healthy, vibrant life is immeasurable, and the sense of relief it brings cannot be put into words. The Executive Director & CEO of AIIMS Jammu, Prof. (Dr) Shakti Kumar Gupta shared, "We recently had the privilege of performing three pediatric surgeries on children aged 11 months to under 18 years. These delicate procedures

included a right orchidopexy for an 11-month-old infant and two corrective surgeries for Congenital Talipes Equinovarus (CTEV), commonly known as clubfoot. Each surgery was performed with precision, care, and dedication by our expert team. Despite the complexity of these procedures, our team remained steadfast in their commitment to achieving the best possible outcomes for every young patient." He explained, "We treated a 1-year-old male infant with a right-sided undescended testis. After initial tests, we successfully performed surgery to move the testis into the scrotum. Timely surgery is key to preserving future function and preventing complications. The patient is now stable."

For the other two surgeries, Prof. Gupta said, "This is a big step forward in improving pediatric orthopedic care at the hospital, helping children with conditions like DDH, angular deformities, and clubfoot, lead healthy, active lives. Early diagnosis and treatment are key, and parents should consult specialists for any orthopedic concerns. The Orthopaedics Department at AIIMS Jammu will provide all necessary specialized surgeries for children." These surgeries mark the beginning of a new chapter in the healthcare landscape of Jammu & Kashmir. With each successful procedure, we reaffirm our commitment to offering world-class medical care to the region's youngest and most vulnerable patients. The ripple effect of these treatments will be felt not just within

individual families, but across communities as we help to build a healthier future for the next generation. The Director extended heartfelt congratulations to the entire team for successfully performing these important procedures. The skilled efforts of Dr. Vijay Kundal, Dr. Akshat Sudhanshu, and the dedicated Pediatric Surgery team, along with the support of the Anesthesia team led by Dr. Raksha Kundal, Dr. Sandeepika Dogra, Dr. Anu Hansa, and our exceptional nursing officers, Disha and Diksha, exemplify

the commitment and excellence we strive for. The Director appreciated the efforts of Dr. Amit Thakur, Office In-Charge of the Orthopedic Department, for his continuous support in ensuring the smooth execution of the procedures. The Director recognized the exceptional work of the Orthopedic surgical team, including Dr. Rashid Anjum, Dr. Imran Sheikh, and Dr. Dheeraj, along with the Anesthesia team and the dedicated nursing staff. He said, "Your hard work and collaboration serve as an inspiration to all, reminding us of the incredible impact we can make together in transforming healthcare and improving lives. Keep up the outstanding work!" Through our efforts, we hope to transform the healthcare narrative in

J&K, providing families with the confidence that their children can receive the highest standard of medical care right here, at home. This is just the beginning. AIIMS Jammu remains steadfast in its mission to enhance healthcare access, ensuring that every child has the chance to grow up healthy and every family has the joy of seeing their loved ones thrive. The Director concluded, "When you educate a man, you educate an individual. But when you educate a woman, you educate a family. In a similar vein, when you heal one child, you bring new life and hope to an entire family. The impact of restoring a child's health extends beyond that child alone-it enriches the lives of parents, siblings, and all who love them."

Enthusiastic voters response marks first day of Home Voting in Rajouri District

STATE TIMES NEWS
RAJOURI: The first day of home voting for the Legislative Assembly Elections 2024 being held in all Assembly Constituencies (ACs) of Rajouri district saw an overwhelming response from voters. The Election Commission of India (ECI) has introduced the facility of home voting for eld-

erly citizens and Persons with Disabilities (PwDs). Voters above 85 years of age and PwDs with 40% or more benchmark disabilities are eligible for this facility. The initiative aims to enhance accessibility and ensure that every voter can participate in the electoral process, irrespective of physical limitations. The Rajouri District has

1,615 above 85 year voters and 744 registered PwD voters. The enthusiasm of these citizens was clearly evident as they cast their votes from the comfort of their homes on the first day of home voting. The home voting will continue for two days, ensuring that all eligible voters have sufficient time to exercise their right. Local authorities, in collabora-

tion with election officials, have made meticulous arrangements to ensure a smooth, secure, and inclusive voting experience. District Election Officer (DEO) Rajouri, Abhishek Sharma, flagged off home voting teams for Assembly Constituency Rajouri from Government Degree College (GDC) Rajouri. He also inter-

acted with the teams, encouraging them to perform their duties diligently. Following this, the DEO visited Assembly Constituency Thanamandi to review ongoing election preparations. During his visit, he stopped at GDC Thanamandi, where he took part in a signature campaign and plantation drive. He also interacted with first-time vot-

ers, motivating them to actively participate in the Assembly Elections 2024 and exercise their democratic rights. The home voting initiative underscores the commitment of the Election Commission to an inclusive electoral process, ensuring that every citizen, regardless of age or physical ability, has the opportunity to make their voice heard.

The process was overseen by the District Election Officer Saloni Rai, in the presence of General Observers S A Raman and B C Sateesha, Returning Officers from all Assembly Constituencies and representatives of various political parties. The General Observers monitored the entire process to ensure strict adherence to all ECI guidelines, reinforcing the commitment to conducting free and fair elections.
