

JMC Com suspends 3 employees for negligence

STATE TIMES NEWS
JAMMU: To improve civic amenities in the city, Commissioner Jammu Municipal Corporation (JMC), Dr. Devansh Yadav on Saturday chaired a meeting of officers and officials of Electrical wing to review the status of repair and maintenance of street lights.

During the meeting, the Commissioner took strong note of the non-functional street lights reported from various parts of Jammu city. Expressing displeasure over negligence in timely repair and monitoring, Dr. Yadav ordered the suspension of three employees of the street light repair wing and attached them to the Kot Bhalwal dumping site till further orders.

The Commissioner emphasized that street lighting is a critical component of urban infrastructure, directly linked with the safety and convenience of citizens. He pointed out that poorly lit streets not only cause inconvenience to the public but also pose security risks concerns especially after dark.

Dr. Yadav directed the officials of Energy Efficiency Services Limited (EESL) and the Executive Engineer (Electric), JMC to ensure immediate redressal of public complaints regarding non-functional street lights. He stressed the need for a robust monitoring system, timely field inspections and strict accountability of field staff.

The Commissioner also instructed that proper maintenance schedules must be followed and faulty lights should be repaired or replaced within a stipulated time frame. Citizens should not be made to wait for basic facilities like functional street lights, he added.

Reiterating JMC's commitment to strengthening civic services, the Commissioner urged all concerned departments to work in close coordination to improve service delivery and win the trust of the people of Jammu.

ACT NOW: YOU, ME

28th SEPTEMBER 2025

WORLD RABIES DAY

World Rabies Day, observed on September 28th, raises awareness about rabies prevention and control.

In Jammu & Kashmir, **85,691** dog bite cases and **12** human rabies deaths were reported in 2023 and 2024.

All these tragic deaths could have been prevented with complete vaccination.

Simple Steps to achieve Zero Deaths due to Human Rabies

1. Immediately Wash wound with soap & water for at least 15 minutes.
2. Visit nearest Health facility in time for vaccination and ensure complete vaccination.
3. Do not go to traditional healers and do not apply oil, turmeric, chili, or herbs on wounds.
4. Teach children safe behaviour with animals.
5. Vaccinate your pets regularly.
6. Feed stray dogs only at designated areas.

ARV & ARS are available free of cost in the designated Govt. Health Facilities.
